

Special Education Program Goals – 2010/2011 School Year

#1 – Increase the percent of students with exceptional needs scoring proficient and distinguished by at least 10% at each school.

- Provide opportunities for staff to attend high quality PD in and out of the district.
- Include reading and/or math instructional strategies meetings, ECE workdays, website, etc.
- Provide training and follow-up support with co-teaching.
- Include instructional resources on ECE Webpage.

Collaborate with principals and teachers to:

- Implement goal setting activities for students – Student Success Plans.
- Implement a plan for re-teaching content not mastered on common assessments
- Implement practices to develop relationships between proctors and students.
- Implement the use of feedback forms for proctors to use to communicate with case managers following school-wide assessments.
- Implement one-on-one testing schedules throughout the school year.
- Identify proctors for all students early in the school year.
- Train department chairs in completing data analysis form following school-wide assessments throughout the school year.
- Schedule time for mastery learning in all schedules.

#2 – Improve public relations

- Develop an ECE Advisory Council.
- Develop a ECE Webpage
- Develop monthly training/informational meetings for parents.
- Monthly communication at board meetings.

#3 – Improve communication with all stakeholders

- Meet monthly with department chairs and ARC chairs.
- Meet bi-monthly with related service providers.
- Plan at least three district ECE work/PD days.
- Meet weekly with district ECE Leadership.
